

Elementary Spelling Bee

-The Balding Eagle, April 19-

Spring is a great time to take end-of-year tests, hand out end-of-year awards, and of course, have some fun end-of-year competitions. Last week, GCS has held a 1st-6th grade Spelling Bee. The result? Hard work, friendly competition, and fun.

Fifth grader Miryleigh Reed took home 1st place honors, and she

could not have been more excited. Third grader Mary Grace Madison was the runner-up.

Miryleigh said, “So when I got to school, I said ‘Ok, Here’s the Spelling Bee. I’m nervous, but I’m also excited. I want to win this.’”

Both our champion and our runner-up will be recognized and awarded trophies at Academic Awards Day later this spring. Every student

involved, however, enjoyed the fun of the contests and seeing what he or she learned over the course of this school year.

“I love when students get a chance to see what they have learned in the past nine months,” said Coach Morgan. “Some affirm what they have worked towards all year, but contests like this also motivate others to work harder next year.”

Achievement testing for grades 4-10 starts next week, and final exams for all students are not far behind. As the end of the year approaches, all GCS students are getting ample opportunities to show what this year of school has taught them.
